**Terry R. Yochum, DC, DACBR, Fellow, ACCR**

**Alicia M. Yochum, RN, DC**

27 August 2015: 13:00-17:00

- The Link Between Altered Biomechanics and Bone Marrow Edema
- Spondylolisthesis and Contact Sports: When Is It Safe?

## **Seminar Fees**

All Delegates      £40

## **Terry Robert Yochum, DC, DACBR, Fellow, ACCR, FICC**

Dr. Terry R. Yochum is a second-generation chiropractor and a cum laude graduate of the National College of Chiropractic, where he subsequently completed his radiology specialty. He is a member of the Sigma Chi Fraternity (1967). He is a Diplomate of the American Chiropractic Board of Radiology and served as its Vice-President and President for seven years (1983-1990).

Dr. Yochum is currently Director of the Rocky Mountain Chiropractic Radiological Center in Denver, Colorado, and an Adjunct Professor of Radiology at the Southern California University of Health Sciences (formerly LACC).

On September 27, 1996 Dr. Yochum was bestowed the honor of "Fellow" by the American Chiropractic College of Radiology (ACCR). He is the youngest recipient ever to receive this award, which has only been given to eight DACBR's since the inception of the ACCR in 1958. The title of Fellow is the highest honor awarded to any member of the ACCR for distinguished service and contributions in the advancement of chiropractic radiology. Dr. Yochum was also honored with an appointment to the Department of Radiology at the University of Colorado School of Medicine as a skeletal radiologist, where he has been on staff since January of 1991. In June of 1991, 1993, 1996, 1997, 1999, 2001, 2003, 2004 and 2006 he was unanimously voted "Best Faculty Radiology Instructor of the Year" by the 40 radiology residents at this university. He is the only person ever to have won this award nine times. Dr Yochum is the recipient of the "Dr. Monte Greenawalt Chiropractic Excellence Award", presented in Las Vegas, Nevada, in February 2003, by Mr. Kent Greenawalt, President of FootLevelers, Inc. This award has only been given to a few people in the fifty-five year history of FootLevelers, Inc. Dr. Yochum was voted the co-chiropractor of the year (2006) in his home state of Colorado.

Dr. Yochum has presented over 1,200 lectures worldwide. He has had over 250 scientific articles published in both the chiropractic and medical literature. The first edition of Dr. Yochum's text, "Essentials of Skeletal Radiology", is a benchmark publication for the profession. This textbook sold over 100,000 copies since 1987. It is the required text in radiology at all 40 chiropractic colleges worldwide and is being used in over 100 medical schools around the world. The third edition of Dr. Yochum's text was released in 2005 and has expanded to 1,900 pages with a new chapter entitled "Masqueraders of Musculoskeletal Disease". He was inducted into the National College of Chiropractic Hall of Honor, June 2010.

**Dr. Alicia M. Yochum** attended Point Loma Nazarene University in San Diego California for her undergraduate training graduating Cum Laude in 2007 with a Bachelor's of Science Degree in Nursing. She then worked as an intensive care unit nurse for one year at Aurora Medical Center in Colorado before matriculating to Logan University in September of 2008. Dr. Yochum graduated Suma Cum Laude from Logan in 2011 and recently completed her Diagnostic Imaging Residency in the Radiology department at Logan.

She is a 3rd generation chiropractor. She has co-lectured with her father, Dr. Terry R. Yochum, during the last two years. She is a member of the American Chiropractic Association as well as a board member for World Congress of Women Chiropractors. Dr. Yochum has performed editorial review for the Journal of Chiropractic Medicine and she serves as an Associate Editor for the Journal of the Academy of Chiropractic Orthopedics (JACO). She has also published radiology papers in the Chiropractic literature independently as well as with her father.
